SERVICE INDUSTRIES, INCLUSIVE PRACTICE & ESOL INFORMATION FOR PARENTS AND CARERS

HAIR AND BEAUTY

Trips and Enrichment

During the course we will be visiting industry related trade shows and spas to demonstrate what a day in industry is like. We also pride ourselves on offering additional courses such as gel nails, brow lamination, spray tanning and much more.

Uniform / PPE

All Hair and Beauty students are required to wear a uniform to all lessons. We follow the highest industry standards which are typical in a 5-star spa. Uniform consists of tunic and trousers, hair in a bun, black socks with black closed toe, flat shoes. No false lashes, nails or jewellery allowed to be worn. Until uniform arrives all learners are required to wear black trousers (no jeans or leggings) and a plain black t-shirt. Uniform order forms will be given at the time of enrolment.

Equipment & Resources

All hair and beauty courses require a kit, locker and textbook. Order forms for each course will be given at time of enrolment or during the Start Up session.

INCLUSIVE PRACTICE & ESOL

Trips and Key Speakers

During the course we will be offering a variety of trips. Last academic year these trips included Whipsnade Zoo, Go Ape and Chiltern Rangers. We had speakers from Premier Inn, Sainsburys, Dobbies and Costa to talk about employment opportunities.

Uniform / PPE

All students on Pathway to Employment will need to wear black trousers (no jeans or leggings) and a black t-shirt. A branded badge will be given to wear.

Equipment & Resources

All pathway students will need a bus pass to access trips around the local community.
