## **1.0 Executive Summary**

Buckinghamshire College Group's work is underpinned by the following core values which drive our actions and behaviours:

1. Ambition – we are highly ambitious and support everyone to achieve more than they ever thought possible.
2. Innovation – we are continuously improving and embrace the power to think differently about how we learn and work.
3. Integrity – we operate with honesty and fairness and deliver on our promises.
4. Respect – we value diversity and the opinions and contributions of others, acting with kindness and respect for all.

We value the views of all our customers and aim to manage complaints in a way that is sensitive to the needs of both individuals and groups. This policy sets out how the College will provide a courteous, professional and efficient service to students, customers, employers and other individuals and organisations with whom it works including on those occasions when something goes wrong.

It is anticipated that most complaints will be dealt with through informal channels but if a customer feels that it is necessary to pursue a complaint formally, they can be assured that it will be treated seriously and that the College will deal with any complaint promptly and fairly.

The policy will be published on the College website, Student Space (student intranet), staff intranet and Microsoft Teams. Information leaflets outlining how to make a complaint are available at College receptions and Student Services.

## **2.0 Context**

### **2.1 Informal Complaints**

An informal complaint is a concern or issue, which a customer wants to raise with the College or member of staff without resorting to the formal complaints process. The issue is usually quick and straightforward to resolve and is unlikely to require in-depth investigation.

### **2.2 Formal Complaints**

A formal complaint is defined as an expression of dissatisfaction about the standards of service received from the College, or about an action or lack of action taken by the College or its staff.

### **2.3 Complaints in General**

The College aims to balance the rights of the complainant with the rights of any person about whom a complaint is made, treating all parties with fairness and dignity. A complainant should not suffer any reprisals for making a complaint in good faith and any evidence of recrimination should be brought to the immediate attention of the Principal's Office. If, however, a complaint from a student that is not upheld is found to have been made maliciously, the student may be subject to formal performance management procedures.

### **2.4 Timescales for Making a Complaint**

Complaints should be raised as soon as possible and within 3 months following the original event, action or issue causing dissatisfaction. Complaints from students no longer attending the College must be made within 3 months of their course completion date.

## **2.5 Expectations**

The College will:

- Acknowledge receipt of the complaint, provide information on the Investigating Officer, expected timescales and a copy of this policy within 2 working days of receipt
- Listen and deal with the complaint reasonably, sensitively and respond within a stated period of time
- Take follow-up action where appropriate
- Welcome issues being brought to its attention to prevent a possible recurrence of the problem
- Provide feedback to complainants.

The complainant will be expected to:

- Explain the problem clearly and fully, including any action taken to date
- Allow the College reasonable time to deal with the matter
- Recognise that some circumstances may be beyond the College's control
- Recognise that complaints relating to students and staff may be dealt with under other College processes/procedures and are therefore out of the scope of this policy. The outcomes of these will remain confidential.

This should be forwarded with all associated paperwork, letters and emails to the Principal's Office (via [complaints@buckscollegigroup.ac.uk](mailto:complaints@buckscollegigroup.ac.uk)) who will enter the details onto the complaints log and retain information and records securely and confidentially.

### **3.2 Formal Complaints**

- 3.2.1** Formal complaints may be made if the complainant feels that an informal complaint has not been satisfactorily dealt with, if the issue is of a serious nature or if the complainant wishes to progress straight to the formal complaint stage.
- 3.2.2** Formal complaints may be made verbally (face to face or telephone conversation), in writing by letter or email to [complaints@buckscollegigroup.ac.uk](mailto:complaints@buckscollegigroup.ac.uk). Complaints in writing may be handed to any member of College staff.

- 3.2.3** Formal complaints received by members of staff should be forwarded promptly to the Principal's Office for attention and further investigation, to [complaints@buckscollegigroup.ac.uk](mailto:complaints@buckscollegigroup.ac.uk).

- 3.2.5** The nominated investigating officer will investigate the matter with relevant members of staff and students, or through a nominated person.
- 3.2.6** A response will be made in writing within 10 working days from the acknowledgement of the complaint being given. If the matter is particularly serious or complicated it may take longer to resolve the issue, but information on progress will be provided to the complainant.
- 3.2.7** The investigating officer will forward the details of the complaint with any associated paperwork within 2 working days to the Principal's Office who will enter the details onto the complaints log and retain information and records securely and confidentially.

Receipt of the appeal will be acknowledged within 2 working days of receiving it.

- 3.4.6** All staff have a responsibility for the resolving of complaints and contributing to an investigation into a complaint when this is considered appropriate.
- 3.4.8** The Corporation Board is responsible for ensuring that the Complaints Policy operates effectively and may become directly involved if the complaint is against the Principal, The Director of Governance, Senior Post Holders or member/s of the governing body.

### **3.5 Complaints against the Principal, Corporation Board, Governors or the Director of Governance**

**3.5.1** Complaints against the Principal should be addressed to the Director of Governance.

**3.5.2** For complaints against the Corporation Board, a member of the Board or the Director of Governance, refer to the Complaints against the Corporation Board policy, which is published on the governance section of the website.

### **3.6 Confidentiality**

If the complainant wishes specific information within a complaint be kept confidential, this should be made clear to the person to whom the complaint is addressed. Complainants should understand that in some circumstances, it might be difficult for requests for confidentiality to be respected, for example, where the complaint relates to a possible criminal offence or potential gross misconduct. In addition, in some circumstances a request for confidentiality might make it difficult for the College to investigate or resolve a complaint.

### **3.7 Anonymous Complaints**

The College will not normally investigate anonymous complaints.

### **3.8 Special Arrangements not in Scope of this Policy**

#### **3.8.1 Safeguarding Children and Vulnerable Adults**

Complaints about safeguarding matters (child protection) and safeguarding (adults at risk of harm) are handled under our Safeguarding Policies and Procedures and in accordance with relevant statutory guidance. They are not dealt with under this general complaints policy and procedures. Please find details of the College's Safeguarding Officers on our website who will be able to advise you.

Concerns about statutory assessments of School Educational Needs should be raised with the relevant Local Authority.

#### **3.8.3 Staff Conduct**

Complaints about staff will be dealt with under the College's internal Disciplinary procedures, if appropriate. Complainants will not be informed of any disciplinary action taken against a member of staff as a result of a complaint. However, the complainant will be notified that the matter is being addressed.

#### **3.8.4 Student Disciplinary Intervention**

This policy does not cover complaints and appeals relating to student disciplinary, which are handled through the Supportive Performance Management Procedure.

#### **3.8.5 Services by Other Providers who may use College Premises or Facilities**

Complaints about services by other providers who may use the College premises or facilities will have their own procedures to deal with complaints about their service. Please contact them directly.

#### **3.8.6 Appeals against Assessment Decisions or Academic Misconduct (Plagiarism)**

This policy does not cover appeals against assessment decisions or Academic Misconduct. The Assessment and Internal Verification Policy and the Academic Misconduct and Malpractice Policy, which can be found on the student intranet, handle these.

#### **3.8.7 Fitness to Study Policy**

Fitness to Study matters are dealt with through the Student Fitness to Study Policy.

### **3.8.8 Public Body Investigation**

The College is normally unable to investigate complaints that are subject to other public body investigations, for example the police, local authority, safeguarding teams, tribunals, until those public bodies have completed their investigations. The College will seek advice from the relevant body.

### **3.8.9 Staff Grievances**

Complaints from staff are dealt with under the College's internal grievance procedures.

## **3.9 Aggressive or Abusive Complaints or Behaviour**

Complainants should be aware that our staff have the right to work in a pleasant and safe environment. The College will not tolerate aggressive, abusive, violent behaviour, bad language, racist, sexist or any discriminatory comments and reserve the right to close matters if this should occur.

### **3.10 Vexatious Complaints**

There will be occasions when, despite all stages of the procedures have been followed the complainant remains dissatisfied. If the complainant tries to re-open the same issue, the relevant member of the Executive will inform them in writing that the procedure has been exhausted and the matter is now closed.

If the complainant writes again on the same issue, then the correspondence may be recognised as vexatious and there will be no obligation on the part of the College to respond.

### **3.11 Equality Statement**

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and to complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

### **3.12 Taking a Complaint Further**

**3.12.1** If a complainant remains dissatisfied with the College's response following the appeals process, they may refer their complaint to external agency/ies. This does not apply where a complaint is the subject of legal proceedings or relates to the quality of service provided by external organisations such as an examination board. Only after all College procedures have been exhausted should the complaint be referred by the complainant to the Funding Body or relevant Government Agency.

**3.12.2** If a complaint against the College remains unresolved, the complainant may refer the complaint to the Department for Education. Complaints should be made via their website; <https://www.gov.uk/government/publications/complaints-about-post-16-education-and-training-provision-funded-by-esfa/complaints-about-post-16-education-and-training-provision-funded-by-esfa>.
