

Art & Design Summer Preparation Work

- **#100dayproject**

Using a small sketchbook or paper, create an image every day for 100 days. What you choose to create is entirely your choice, you can have an overall theme, or you can create something each day depending on a mood or feeling. You don't have to spend a long time on each day, it could be just 5 minutes. Try to include as many materials as possible, consider *illustration; collage; stencil; typography; collecting items (leaves/flowers etc); textiles; paint; print; digital*. You could further ways of recording this on social media such as Instagram or blogs.

- **Artistic Inspiration**

Create an artist account on Pinterest/Instagram and build a range of visual inspiration.

You may choose to include artist work, photos, techniques, illustrations, patterns, fashion & textiles, street art, tattoos, posters – anything that encompasses the term Art & Design.

Aim to include a minimum of 50 images.

- **Formal Elements**

Research the Formal Elements of Art. Produce research on each of these areas. Visit the Tate Modern website at <https://www.tate.org.uk/>, and find images that describe each of these formal elements.
