

# HealthTec Thames Valley

H A N D S - O N H E A L T H

## WORK EXPERIENCE WEEK

A 5-day experience based at our facility in Aylesbury College.

### Day 1

A patient journey experience (which can be tailored to specific needs or according to the demands of the group).

### Day 2

Meet the Clinician Day – A day spent talking and interacting with clinicians in various roles across the NHS giving real-life examples, practical career tips and an insight into working for the NHS (these can be general all-encompassing days or more specialised and focussed according to the cohorts requirements).

### Day 3

Either:

Meet the clinician day | First Aid at work course | Hospital/Care Home visit

### Day 4

Either:

Hospital/Care Home visit | First Aid at work course

### Day 5

Either:

Hospital/Care Home visit | First Aid at work course | Essential First Aid Course
