Tuition Fees

A guide to course fees and payment options.

Paying Bucks College Group

The majority of students are required to pay a contribution fee to cover materials, equipment or field trips during their studies at Buckinghamshire College Group.

You can settle your tuition fees, pay for trips, courses materials, exams, parking permits short courses and apprenticeship employer contribution using our secure and easy to use online store and payment pathways.

We accept payment by all major credit and debit cards. Dependent on your card provider the system may ask for additional information in line with secure requirements, this gives you an added layer of security when paying online. All payments are made in GBP Sterling.

You can access the store by visiting www.store.aylesbury.ac.uk or via the links on our main website, www.buckscollegigroup.ac.uk

The college accept payment in full or offers the following recurring card payment instalment plan of 25% deposit at enrolment and 3 further payments of 25% required in the months following enrolment.

Full-time Courses

All full-time courses are fully funded for students aged 16-18. There will be extra costs for trips, books, kits or materials.

Apprenticeships

All course fees associated with Apprenticeships are paid by the employer. If your employer pays into the Apprenticeship Levy your fees will be paid through this process. If your employer is not a levy paying employer, then training for 16–18-year-old learners is free and the training is subsidised for Apprentices over 19 years old. Course fees paid by the employer will vary but are likely to be in the region of £300 – £1200 depending on the qualification.

English & Maths

If learners have a grade 3 (D) or below or no qualifications, then GCSE courses are free. If learners have a grade 4 (C) but want to improve on this grade, then there is a cost involved which varies according to age:

19+ cost is £350 | 16-18 cost is £100 (admin/exam fees)

Functional Skills

There is no cost for this qualification if you do not have a grade 4 (C) or above at GCSE level, and have been a UK/EEA resident for at least 3 years.

Animal Care

These courses are fully funded for students aged 16-18. There will be a course contribution fee.

Level 2 - 19+ year olds may qualify for full or partial course fees funding (which does not cover course contribution fee), depending on eligibility criteria.

Course fees are £1,171 for the course. Payment in instalments may be possible, but needs to be agreed in advance.

On enrolment, ALL students will need to provide a course contribution fee of £70.00, this covers uniform tops, stationery and local visits. This is not covered by course fees/funding.

Level 3 - 19+ Course fees are £1,449 per academic year. Payment in instalments may be possible but needs to be agreed in advance.

19-24 year olds may qualify for full or partial course fees funding, depending on eligibility criteria.

On enrolment, ALL students will need to provide a course contribution fee, which covers uniform tops (in year one only), stationery and local visits. This is not covered by course fees/funding. For Year One this is £90.00 and for Year Two this is £40.00.

EHCP Students

Any course offers for a student who has an Education and Health Care Plan (EHCP) will be dependent on whether the college has agreed with the issuing Local Authority that it can meet the outcomes identified in the EHCP, and the Local Authority has agreed to fund the place.

Student Loans

Many of our Level 3 and Level 4 courses are covered by the 19+ Advanced Learner Loan. For more details on student loans, bursary's and more, please refer to our other supplementary documents via www.buckscollegigroup.ac.uk/downloads
